Santa's Nice List

OFFICIAL RECORD • NORTH POLE

VERIFIED CHRISTMAS 2026

CHECKED TWICE • WORKSHOP RECORDS OFFICE

A Note from Santa

Ho ho ho, my dear friends!

Every name in this book has been checked twice,
by me and by my most careful elves,
in the great Workshop Records Office
here at the North Pole.

These are the children, and the grown-ups too,
whose kindness lit up the year: the helpers,
the sharers, the brave, the gentle, and the ones
who said thank you and meant it.

If you find your name within these pages,
know that you are seen, you are loved,
and you are, officially, Nice.

With a twinkle and a warm mitten,

Santa Claus

Thank you for keeping the Christmas spirit alive in your home. Every kind word, every helping hand, and every bit of wonder you share makes the whole North Pole glow a little brighter.

FishersSanta is Santa's satellite office for central Indiana. While the workshop elves stay busy making toys at the North Pole, my team and I handle all the logistics for Santa's visit to the area.

Merry Christmas to all,
and to all a good night!

Bernard
